

Data for 2015-2016

End of Key Stage Assessments

At the end of each key stage children are required to be assessed against age related expectations. In Key Stage 1 this takes the form of teacher assessments which are backed up with tests (SATS). In Key Stage 2 the children sit tests (SATS) in Reading, Maths & Grammar, Punctuation & Spelling and are teacher assessed for writing.

In 2016 the style of test taken by Key Stage 2 pupils changed. The expected standards also increased, in-line with the new National Curriculum meaning we no longer use levels to gauge the pupil's attainment and comparisons between this data and previous data cannot be made.

Children achieving age related expectations or above at the end of the Key Stage	
Key Stage 1 (Year 2)	
Reading	62%
Writing	46%
Mathematics	63%
Key Stage 2 (Year 6)	
Reading	54%
Writing	71%
Mathematics	76%
GPS	75%
Combined (R, W, M)	45%

Phonics Screening Check

In Year 1, pupils are assessed on their understanding of phonics. The pupils are asked to read a range of real words and 'non-words' (made up using different phonic patterns). If a pupil does not pass the phonics check in Year 1 they must be re-assessed in Year 2.

Number of children passing the phonics screening check in Year 1	87%
