

Religious Education at Millhouse Primary School and Nursery

At Millhouse Primary School and Nursery our aim is to help our pupils acquire and develop knowledge and understanding of the World's religions. We want children to understand the influence of beliefs, values and traditions on societies and cultures.

Religious Education enhances spiritual, moral and cultural growth and helps to develop a positive attitude towards and understanding to others.

We follow the Essex Agreed Syllabus for Religious Education. If you would like to discuss this area of the curriculum at any time then please do make an appointment to do so.
