

Science

- Innovations/product development from nature
- Investigating flight and air resistance – gyrocopters, parachutes, etc.
- Paper aeroplanes
- Kites
- Fair testing/ experiments

Geography

- Flight paths over oceans
- Economy: trade and business trips

History

- Famous people: Amelia Earhart and the Wright brothers
- The first plane

How high can you fly?

Flight

Yr 3: Autumn 1st half

Literacy

- The Fantastic Flying books
- *Up* DVD
- *Biggles*
- Biographies
- Explanations
- Instructions
- Non-fiction

Art/DT

- David Hockney: Garrowby Hill
- Bird's eye view art
- Make kites
- Paper aeroplanes
- Hot air balloon – paper mache

Music:

- Those magnificent men in their flying machines

Enrichment

- Make a kite
- *Up* film
- Exit point: use knowledge to make improved paper aeroplane

Entry Point:

- Paper aeroplanes and competitions
