

Dear Parents/Carers,

This term, we are changing our spelling focus. Each week, there will be three different rules/patterns we will focus on. All of these have been previously taught, either this year or during year three or four.

There are three spellings from each rule and then three exception words that do not follow these patterns. These are from the National Curriculum for year 5.

In addition to these 12 words, children will also be tested on 3 random words that follow the rules for the week. For example, if the spelling pattern is er/ed/ing then the children will get asked to spell a word following this e.g. forgotten. This will encourage the children to apply the spelling rule they have learnt to spellings other than those they have been asked to learn.

If you have any questions, please do not hesitate to contact your class teacher.

Many Thanks,

Year 5 teachers.
