

	Literacy	Art/DT	History/Geography	Science	Other
<b>Entry Point Day</b>	Go back in time. Get in your time machine and go to Reception to have a lesson - this is arranged with Becca so see her about a timetable. Get back to Y5, have a class discussion about early memories of school, earliest memories etc. Enjoy reminiscing. Introduce question - Can you turn back time?				
<b>Wk 1</b>	Time travelling books: <i>Tom's midnight Garden</i> <i>Dr Who</i>			Life cycle of a human - changes from birth to death - physical changes	<i>PSHE: emotional changes - puberty/hormones</i>
<b>Wk 2</b>	Time travelling Hamster <i>Back to the Future</i> film clips			Life cycles and reproduction of mammals	<i>PSHE - losing a loved one - animal or human. Our emotions.</i>
<b>Wk 3</b>	Learn about "time" and how it is measured - clocks.  <i>Biographies: David Attenborough, Albert Einstein</i>		<u>History</u>  Changes in the local community over time Could look at Millhouse Primary historical wall display	Life cycles and reproduction of birds	<u>Maths/Geography:</u> Time zones around the world. GMT. Latitude and longitude (Y6 objective)
<b>Wk 4</b>	<i>Fact retrieval: world's biggest clocks, most accurate, smallest etc. Telling the time without a clock etc.</i>			Life cycles and reproduction of amphibians	<i>PSHE: RSPCA - caring for animals - like the chicks</i>
<b>Wk 5</b>	<i>Where would you go in History or the future if you could go back or forward in time?</i>  <i>Bernard's Watch - ITV</i>	<i>DT: Look at how a clock works. Compare different clock mechanisms - cogs etc.</i>		Life cycles and reproduction of insects	
<b>Wk 6</b>				Life cycles and reproduction of plants (taught in Y3 - but recap)	<i>PSHE: Would you want to live forever? (Read and use the picture book that Becky bought)</i>
<b>Exit point</b>	Answer question. Can you turn back time? (no, because of lifecycles - we will always get old - hopefully- and die)
