Walking Home

As from Monday 25th September, no child will be allowed to leave the classroom on their own at the end of the day unless we have received a permission letter from the parent/carer.

Mental Arithmetic Homework

Over this year, your child will be receiving weekly mental arithmetic homework. They will receive a few questions each week which come from the primary curriculum. All of the questions are based on the age related expectations for your child's year group. The questions may be from areas that have not been learnt yet, but children are more than welcome to try and solve these. Homework will also include times table practise and related division facts. If you have any questions, please do not hesitate to contact your child's class teacher.

School Football Team

On Thursday the Millhouse Football team played in a tournament at Woodlands School. The team managed a successful 6th place. The team played very well and encouraged one another and Morgan scored 3 goals on his school debut. Well done boys!

Fruit/Vegetables in Lunch Boxes

Could parents please ensure that small fruit/vegetables are cut in half (i.e. grapes, cherry tomatoes, etc). We have been asked to pass this information on to you from Essex County Council

Macmillan Trust

Next week with your help we will be raising funds for the Macmillan trust.

This is a cause that is very close to our hearts at Millhouse Primary School and Nursery.

On Thursday 28th September Year 4 children are asked to send cakes to their classroom in the morning.

The parents are then asked to return from 2.30pm via the old Junior School main door.

Tea/coffee and cake will be available for sale.

Parents can then have a browse through the work the children have been busy with before home time.

On Friday 29th September we will be a non-uniform day and we are asking for a donation for the Macmillan trust.

All children (not year 4) are asked to bring cakes into their classroom in the morning.

The parents are then asked to return from 2.30pm.

The parents of Nursery, Reception, Year 1 and year 2 are asked to sign in at the main reception.

The parents of Year 3, Year 5 and Year 6 are asked to sign in at the old Junior School main entrance.

Tea/coffee and cake will be available for sale.

Parents can then have a browse through the work the children have been busy with before home time.

We suggest that if you have more than one child you visit the oldest child first and then they can accompany you to the classroom of younger siblings.

There will be more information on the classroom windows and doors.

All monies made will be donated to the Macmillan trust.

Thank you in advance for your support.
