

# Millhouse News 29.06.18

**Millhouse**  
Primary School and Nursery

## ATTENDANCE

Classes 17 & 19 achieved 97% attendance this week

## DATES FOR YOUR DIARY AND REMINDERS

### Millhouse Carnival Day

On Friday, 6<sup>th</sup> July we will be having a Carnival Day - Can the children please come to school in their brightest clothes in their wardrobe.

The dinner menu will be the same but with a 'Carnival dessert'.

### School Dinner Menu - Thursday, 5<sup>th</sup> July

Option 2 will be a Vegetable Slice

## SCHOOL INFORMATION

### Parking

Please park safely around the school. Staff, Parents and children are finding it hard to see if the road is safe to cross particularly around the school car park gates.

Please contact South Essex Parking Partnership on 01245 606710 or 0845 002 0686 or alternatively email [parking@chelmsford.gov.uk](mailto:parking@chelmsford.gov.uk) to report dangerous parking.

### Stars of the Week

- Class 1 - Sophie
- Class 3 - Austin, Freddy & Jack
- Class 4 - Tayo
- Class 5 - Lilly
- Class 6 - Jenson
- Class 7 - Ryan
- Class 8 - Jack
- Class 9 - Freddie

KS2 Hall Star - Lily-Mai  
KS2 Playground Star - Ian

We are pleased to let you know that we have a presentation form the NED show for the children next Thursday, during the school day.

This is a charitable company who deliver a message for personal development.

The message is to Never give up. Encourage each other. Do your best.

Following on from the show the children will be able to purchase yo-yos from Friday 6th July to Wednesday 11th July if they wish to.

The yo-yos will be £5.00 each.

If you do wish to purchase one on the days after the show please bring £5.00 in to class in an envelope.

You could buy a yo-yo on carnival day.

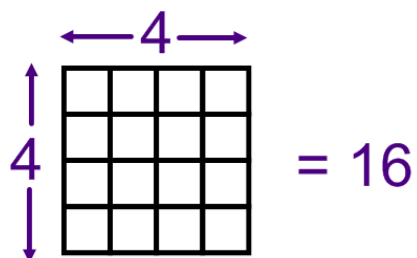

## Lite Bites

### Square numbers

A square number is the number you get when you multiply an integer (whole number) by itself. The numbers in red are the square numbers.

$$\begin{aligned}1 \times 1 &= 1 \\2 \times 2 &= 4 \\3 \times 3 &= 9 \\4 \times 4 &= 16 \\5 \times 5 &= 25 \\6 \times 6 &= \\7 \times 7 &= \end{aligned}$$

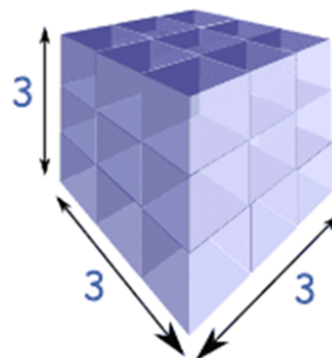

You can record  $3 \times 3$  as  $3^2$ . This means the same thing. So  $3^2 = 9$ .

### Cube numbers

A cube number is the number you get when you multiply an integer (whole number) by itself three times. The numbers in blue are the cube numbers.

$$\begin{aligned}1 \times 1 \times 1 &= 1 \\2 \times 2 \times 2 &= 8 \\3 \times 3 \times 3 &= 27 \\4 \times 4 \times 4 &= 64 \\5 \times 5 \times 5 &= 125 \\6 \times 6 \times 6 &= \\7 \times 7 \times 7 &= \end{aligned}$$

You can record  $3 \times 3 \times 3$  as  $3^3$ . This means the same thing. So  $3^3 = 27$ .
