This entitles us to coaching sessions during school time, inter-school competitions and CPD. We have also purchased additional coaching to run Multiskills Clubs after school on 4 nights a week, LSA support to co-ordinate this, daily lunchtime sports sessions for Year 1 and Year 2 pupils and some P.E. curriculum resources. Last year the curriculum resources chosen were to develop fine motor skills, this year we aim to purchase larger equipment to develop gross motor development.

We hope that these activities will help pupils to enjoy sport and develop healthy attitudes towards regular physical activity as they grow older. They also enable the children to experience different kinds of sport and increase their fitness levels, whilst developing their fine and gross motor skills.
