Millhouse
Primary School and Nursery

Headteacher: Mr G Allen

21st April 2020

Dear Parents / Carers,

Online Home Learning Access

Please see below the instructions and log in details for you to access Google Classroom. As you are aware, we have recently re-launched this to ensure we can focus on the core learning and to make it easier to navigate through all the activities. This means that activities that were previously on each year group's page have been taken down so children will no longer be able to access or upload work to these items. New learning activities will be added each week and previous ones taken down to free up space and make it quicker to use.

To access this you will need a Gmail account. If you do not have one this can be easily set up through the Google search engine by clicking on Gmail and then 'add account'. The children do not need to use this for anything other than logging on the Google Classroom.

I have attached the instructions for how to access Google Classroom in this email. Below is a list of the class codes you will need to join each year group classroom folder (these are case-sensitive):

Year 6	iubzlyy
Year 5	7qytaqg
Year 4	wgoghqt
Year 3	uha3ofa
Year 2	6njvlbg
Year 1	vg4qczo
Year R	o3bhbdy
Nursery	pyji2ir
Additional	2lmksuh

If you have any problems or questions related to this, we will be sending out new Year Group email addresses in a couple of days for you to direct your enquiries to, so we ask for your patience whilst we do this. If you do not have access to a computer or tablet or are having difficulties with downloading / printing things, please use the Year Group email address to let the teachers know and we will do our best to ensure your child still has access to home learning in some format.

Kind regards,

A handwritten signature in black ink, appearing to read 'J Haken'.

Mrs J Haken
Deputy Headteacher

Inspiring tomorrow's generation, today.
