

Year 3 Homework Menu: Spring 2nd Half Term 2023

This half term we are learning about *The Stone Age* and *Rocks and Soils*.

**How to keep your brain healthy:
your 5 a day homework tasks**

Every day:

- 5 minutes spelling
- 5 minutes times tables practice
- 5 minutes (or more) reading
- 5 minutes discussing what you've read
- 5 minutes chat about what you have learnt that day

(Spelling lists and times table resources are on the school website)

Pick 'n' mix

Choose 3 items from the sweets below to be handed in by Monday 27th March or as soon as you have finished it. Well-presented homework will be displayed around our school and children that have completed 3 items will receive a special homework certificate!

Write your own recipe for a Stone Age dinner using the sort of ingredients and food that would be available to Stone Age people.

Make up your own Stone Age hunting story. Tell it through cave art pictures.

If you had to live in a cave what would you like it to look like and what would be in it? How would you keep warm? How would you keep safe? You could build your own 3D cave

There is a famous Stone Age site called Skara Brae. Research what it is and make an information leaflet about it.

Research the different types of rocks and soils that can be found in the local area and what they are used for.

Stone Age maths
Can you come up with your own method of counting? You might want to choose symbols to mean certain amounts. Will you count in sets of 10 or will your counting system work in another way?

Extra treats...

You could visit:

The Museum of London
The British Museum

You could watch:

Stig of the Dump
The Croods
Early Man
