Parent Information

Parents Evenings

These will be held for most classes on Wednesday 8th and Thursday 9th February. More information will be sent to parents next week.

Teacher Training

If anyone you know is interested in training to be a teacher, please see the information attached with this newsletter from Essex & Thames Education.

Safer Parking

We are working with the local authorities to help make the roads outside our school safer. This includes the '3PR' scheme and reporting dangerous or illegal parking. Please help us keep the roads safe for the children by parking sensibly, considerately and legally.

Attendance

We are pleased to see our attendance figures improve since we returned from the Christmas break! We still have a way to go to ensuring all children are attending school everyday so please keep up the good work in getting your child here each day.

Well done to the following classes for achieving more than 95% attendance this week:

Class 3 – 99% Class 10 and Class 17 – 98%

Classes 8, 11 and 20 – 97% Classes 7 & 22 – 96%

We are currently updating our procedures and will let you know how we intend to manage pupil attendance in the future.

Gallery

*This week, Year 4 had a visit from 'Viking Ian'.
They learnt all about who the Vikings were, where
they came from and how they lived.*

*It was lovely to see so many of them dressed as
Vikings for the day!*
