Parent Information

Thank you for all your support and co-operation this year. We have had some challenging times, but the children have once again done us all proud. There have or will be several letters sent home to all parents this week:

- Behaviour Policy
- Attendance Policy
- Information for September
- Staff Changes

All of these are also on our website. Please make sure you have read them carefully.

We wish you all a lovely summer and look forward to seeing the children back on Tuesday 5th September.

Attendance

Our attendance policy has been updated and we will be having a big focus on punctuality and persistent absence next term. Please make sure you have read our policy and the information in the letter sent home.

Congratulations to the 11 children who achieved 100% attendance this year! They enjoyed some time with Mrs Duggins this week and were given a couple of treats. A photo can be seen in the gallery.

The past couple of weeks have been full of sporting events. Sports day was enjoyed by all and the District Sports and Cheerleading teams did really well at their respective competitions.

Lots of medals were awarded to the athletes in the District Sports Teams, and as a school we came 3rd place overall which is a great achievement. Well done to all the children who took part and represented Millhouse so well.

The Cheer Squads performed well in their competition, with the Year 3 & 4 squad coming 3rd and the Year 5 & 6 squad coming 1st. Well done all!

We must also say a big thank you to Mr Shadbolt, Miss Challenger, Mrs Challenger & Mrs Broadhurst who trained the children and organised the events.

100% Attendance!
