Welcome back! It was so lovely to see all the children return on Thursday smiling and looking smart. This year we hope will be a little more 'normal'. The children are able to play with more of their year group friends and we can get back to doing things like assemblies and events. We are looking forward to all of these things and being able to spend more time with all the children.

We appreciate all the support and cooperation from parents over the past 18 months and know we can rely on it continuing this year. Everyone has already shown patience and resilience as we start our new routines and although the first day was a little chaotic and confusing for some, today was much better and we thank parents for making sure today was calmer for everyone concerned. I think we have all forgotten what it is like to have so many people in the same place at the same time, as it was before COVID, but I am sure everyone will get used to it before long!

Today threw a small spanner in the works, with our cookers breaking down, but again, everyone (including the children) showed great resilience and respect and dealt with the disruption brilliantly.

We look forward to what the coming year brings and sharing lots of positives with you.

Parent Information

PE

On their PE days, children should come to school wearing their PE kit. This consists of either a white or orange T-shirt and black shorts. PE will normally take place outside, so if it is colder weather, they should wear warmer clothes for PE. It is also advisable that trainers are worn outside and plimsolls kept for any indoor lessons.

School Dinners

A letter was emailed home today about a change to school dinners today and Monday. This was due to our cookers breaking down. We will let you know if there are any further changes on Monday.
